

## Table of Contents

### Forewords

Foreword by the book editors	6
Foreword by the FIEP Europe President	8

### Keynotes

Bailey, R. Physical activity at school: Time for a radical rethink?	9
Block, M. E. Preparing future physical educators for inclusion: Changing the physical education teacher training program.	29
Hunger, I. Physical activity in early childhood and social chances.	36
Van Hilvoorde, I. & Koekoek, J. Digital technologies: A challenge for Physical Education.	54

### Invited Symposia

#### *Conseil Européen des Recherches en Éducation Physique et Sportive (CEREPS): Physical education and physical activity in active school communities*

Scheuer, C & Naul, R. The vision and mission of CEREPS, a European council of research in physical education and physical activity.	64
Naul, R. Physical education and physical activity in active school communities.	67
Csányi, T., Boronyai, Z., & Vass, Z. Strategical developments of physical education in Hungary.	68
Lucassen, J. Bridging the gap between physical education and after school physical activity: The importance of hybrid professionals.	69
Naul, R., Utesch, T., & Dreiskaemper, D. Monitoring motor development: Measuring motor competence via an online database	76

#### *European MOBAK-Network: Basic motor competencies*

Gerlach, E, Herrmann, C., Dania, A., Heim, C., Jidovtseff, B., Quitério, A., Vrbas, J., Kossyva, I., Adamakis, M., Zounhia, K., Seelig, H., Ennigkeit, F., Vandeloise, V., Morgado, L., Mornard, M., Cloes, M., Costa, J., Martins, J., Onofre, M., Fernandes, D., Picado, A., Mota, J., Vlček, P, & Scheuer, C. Basic motor competencies.	81
--	----

*European Physical Education Association (EUPEA): Monitoring physical education: physical literacy and its school development conditions in Europe*

Onofre, M. Monitoring physical education: Physical literacy and its school development conditions in Europe.	91
Hardman, K. Critical aspects of physical education and school sport monitoring systems.	92
Onofre, M., Costa, J., Naul, R., Repond, R.-M., Scheuer, C., & Holzweg, M. How to know more about physical education and school report in Europe: EuPEO, a project from EUPEA.	97
Lucassen, J. Monitoring physical education in the Netherlands: Still a blind spot on the map?	100
Repond, R.M. The Swiss observatory for sport and physical activity and the global observatory for physical activity - Indicators for physical education and comparison with HEPA recommendations.	108

*European Primary Physical Education Network (EPPEN): Emerging issues in primary physical education across Europe*

Keay, J. Emerging issues in primary physical education across Europe.	118
Masarykova, D. The issues and perspectives on primary physical education in Slovakia.	120
Carse, N., & Jess, M. Primary physical education in Scotland.	129
Popeska, B. Common obstacles in the realization of the physical education teaching process in primary education in the Republic of Macedonia.	131
Keay, J., & Carse, N. The European primary physical education network (EPPEN).	147

*Fédération Internationale d'Éducation Physique (FIEP): Physical education and new technologies*

Antala, B. Physical education and new technologies.	149
Novak, D. Physical activity, health and new technologies.	151
Campos-Rius, J., & Sebastiani E. M. The challenge of ICT and LKT in physical education. The experience in the degree in sports sciences – FPCEE Blanquerna   Ramon Llull University.	152
Luptáková, G., & Antala, B. Students' perceptions of the application of information and communication technologies in education and physical education	162
Podnar, H. Effects of school based physical activity on academic performance among school aged youth.	167

*International Council of Sport Science and Physical Education (ICSSPE): 'A rose by any other name would smell as sweet' - Confusions, tensions and opportunities in the languages of sport science and physical education*

Naul, R. Identical global terminology with different continental meanings vs. different continental terminology with equivalent global meanings.	169
Burnett, C. Not to get lost in translation: to which voices do we listen and where are they coming from?	185
DePauw, K. P. What's in a name: Musings about physical activity, sport and disability.	194
Torres, C. R. & McLaughlin, D. W. Rectifying a name? A reflection on disciplinary terminology.	198
Goslin, A. Schaefer, U., Kluka, D., & Dumon, D. 'A rose by any other name would smell as sweet' - Confusions, Tensions and Opportunities in the languages of Sport Science and Physical Education.	205

*International Federation for Adapted Physical Activity (IFAPA) & International Association of Physical Education for Girls and Women (IAPESGW): Inclusion and diversity – Challenges for physical education with respect to gender, culture and different abilities*

Dinold, M., Boursier, C., Diketmüller, R., Lopez de d'Amico, R., & González Rivera, M. D. Inclusion and diversity – Challenges for physical education with respect to gender, culture and different abilities.	210
Diketmueller, R. Intersectional perspectives and their relevance for physical education and childhood.	211
Dinold, M. Social inclusion of individuals with a disability - Challenges in various fields of physical activity (Physical education, sports, dance).	217
Boursier, C. Quality physical education in the world. Glances of Madagascar.	222
López de d'Amico, R., & González Rivera, M. D. Inclusion of girls in physical education from a global perspective.	228

*United Nations Educational, Scientific and Cultural Organizations (UNESCO) Chair IT Tralee: Let's inclusivize physical education, physical activity and sport*

Carty, C. Let's inclusivize physical education, physical activity and sport	233
Schischlik, A., McLennan, N., Leroy, M., & Hardman, K. Putting the <i>quality</i> in physical education policy.	236
Bailey, R. Girls, women and physical activity: The limits of choice and opportunity.	247
Myers, E., & Green, N. Physical literacy and inclusion.	256
Sugrue, A. Inclusivizing physical education, physical activity and sport.	258

## **Selected oral presentations**

### *Physical education in early childhood and primary education*

Atkins, D. Fitting the jigsaw together: The body-school-society nexus and children's understanding of body pedagogies. 271

Vlček, P. & Vrbas J. Integrating physical education and geography in the intended curriculum: Case study of the Czech Republic and the Republic of Slovenia. 284

### *Physical education teacher education*

Palmer, C. & Sprake, A. Physical education or physical entertainment: The hunt for physical evidence of learning in school 295

### *Intercultural learning and inclusion in physical education*

Magnanini, A. An Italian model of inclusive physical education in secondary schools. 311

Wane, C. T. & Wane, M. H. Cultural diversity and learning of the otherness in physical education and sport 329

### *Physical education and physical activity in active school communities*

Cloes, M. & Cloes, S. How classroom teachers do take the 'physical activity pauses at school' (PAPS)? A project implemented in Wallonia. 342

Martins, J., Rodrigues, A., Marques, A. & Carreiro da Costa, F. Let's talk about active youth. Changes in childhood transition to adolescence - A dialogue between family, friends and physical education. 358
